ABOUT US

Troy Media Digital Solutions is an editorial content provider to over 1,800 print and online media outlets in Canada, as well as its own growing network of Affiliate, Associate and Partner websites.

Founded in 2005, Troy Media has developed a reputation for providing the in-depth analysis and articles required by journalists and editors. Traditional media outlets, as well as websites, use or license content supplied by our clients, columnists, contributors and freelancers for their own needs.
